

Explore Autumn Leaves

Think About Autumn Leaves:

1. Which autumn leaves color is your favorite? Why?
2. Besides color, what other differences do you notice?
3. How can you tell if a leaf is "crunchy"?
4. Why do the leaves change colors and fall off the tree?
5. What other changes do you notice in fall?

Extensions:

1. Go on a leaf hunt - gather or keep track of the shape and/or color you find most.
2. Look up different types of leaves on the internet - look for examples of each kind.
3. Pick out the autumn leaves colors from your crayon box. Draw an autumn picture.
