Think About Guess the Signs:

1. If these signs had words, what might they say?
2. Why do you think some signs use words and some do not?
3. How does each of these signs help people?
4. Why is it important to pay attention to signs?
5. What other signs have you noticed?

Extensions:

1. Go for a "guess the sign" walk and look for other signs/symbols that give us info.
2. Think of helpful signs you can make for your home or school - make them and put them up where possible.
3. Sort out which category each sign belongs: Safety signs, signs that state the rules, signs that tell us where things are, etc.
