

Explore Read the Signs

Think About Read the Signs:

1. Why are signs important?
2. Which of these signs might be in a city? Which might you see in a park or the woods?
3. What kind of information does each of these signs give? (rules, where to find something, alert of danger, etc.)
4. Signs are different shapes, sizes, and colors - why?
5. What might happen if each of these signs weren't there?

Extensions:

1. Think of a place a sign would be useful -design, dictate or write your own sign to display.
2. Make a chart tallying the various sign colors and/or shapes you can find.
3. Write a story about how things might be different if animals could read signs.
