

Explore Birds

Think About Birds:

1. What do you like/dislike about birds?
2. Which kind of bird is your favorite?
Why?
3. How are birds the same? How are they different?
4. What makes birds different than people?
5. What kinds of sounds do birds make?

Extensions:

1. Examine each type of bird. List 3 characteristics you notice about each.
2. Go outside for a bird walk. Try to identify the birds you see.
3. Draw a picture or write a story about what you would do if you were a bird.
